

# FOCUS ON THE BUSINESS, NOT THE PROCESS.

Mortgage Payout Exchange & Discharge Solution

## Atsource provides innovative web-based solutions that work for you and your clients.

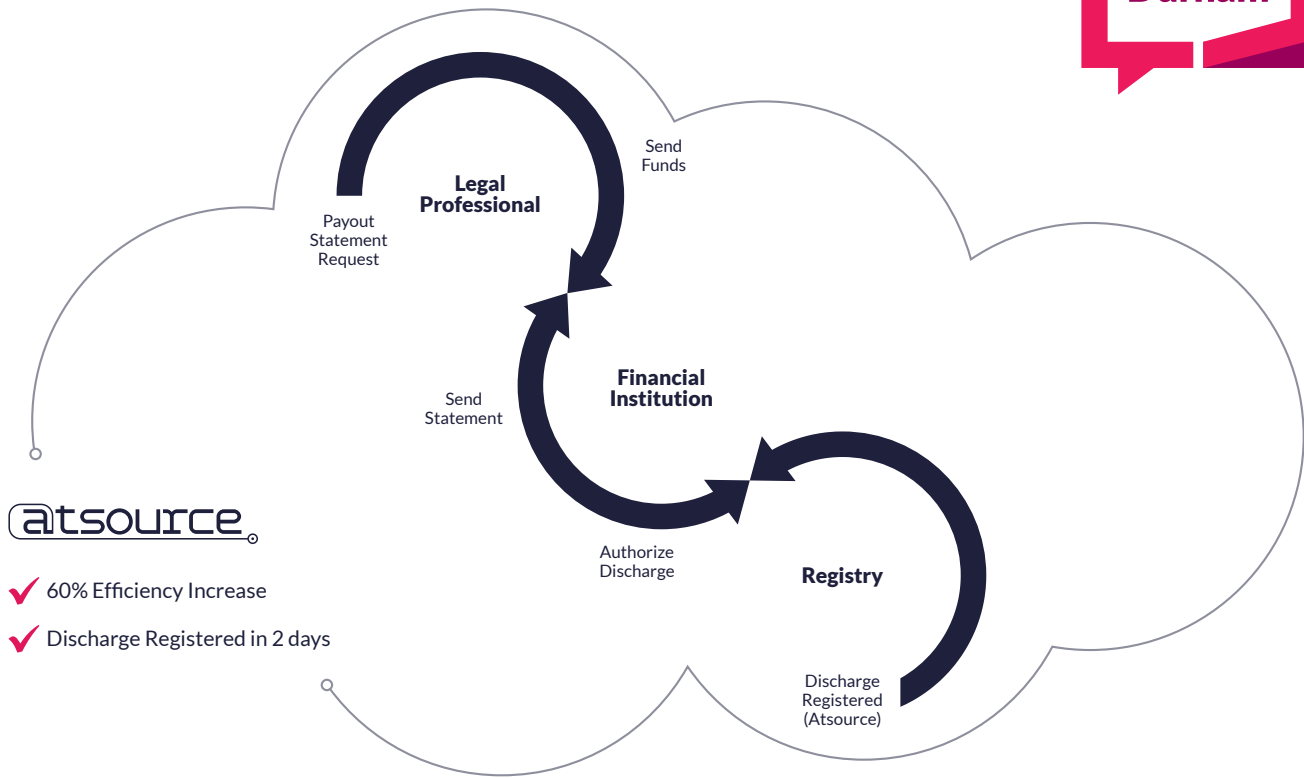

When it comes to choosing a technology provider for your financial institution, you deserve a partner who shares your goals and has the right solutions to help you achieve them.

At Dye & Durham, we're passionate about delivering easy-to-use technology solutions that eliminate manual processes and drive efficiency. Our **Atsource** technology is reshaping how Financial Institutions, Legal Professionals and Government Agencies conduct business together, providing a national solution that manages the payout and mortgage discharge process in one consistent, online transaction.

**Atsource** provides the means of acquiring modern technology with little or no impact on existing Financial systems, allowing for a better client experience and an edge on the competition. Our best-in-class adaptable workflow solution adapts very quickly to your environment by offering unique API's and flexible interfaces.

- ✓ Same-Day EFT
- ✓ KPI-Driven Dashboard
- ✓ 1-2 Day Mortgage Discharge
- ✓ Remote Working Friendly

## Online Mortgage Discharge Process with Atsource

### Customizable Solution

Atsource's unique event-driven technology framework is fully customizable to mirror the approval, communication, and documentation requirements of your financial institution. No other solutions provide this level of flexibility.

### Rapid Onboarding

Easy to deploy system with virtually no project overhead or internal disruption. Atsource does all the set-up work to get your team up and running in less than two weeks. When ready, connect to your back-office system for additional benefits.

### Secure & Convenient

Atsource's cloud-based system eliminates the privacy risk of exchanging sensitive financial information over fax and have enabled mortgage service departments to conduct 100% remote operations.

### Client Retention

Instantly notify designated staff that a payout statement has been requested. This feature provides earning warning that a customer is looking to pay out a mortgage, giving you the opportunity to retain the customer and the business.

### Proven Cost-Saver

Paperless transactions and streamlined online workflows have provided financial institutions proven efficiency gains of up to 60%. Atsource's monitoring and notification systems ensure operations are timely and cost-effective.

#### Increase Operational Efficiency with Atsource.
